Dedication

In token of our sincere respect
and admiration, we, the Class
of 1931, dedicate this volume
of the RECALL to Albert
Edward Dunster who has
given wholehearted service to
Western and her student body.

SERGEANT ALBERT EDWARD DUNSTER

The Blue and the Red

*Hail, dear old Western's colors proudly flying,
Blue and the Red, we pledge to thee our love
Dearer to us than crimson deep, or purple,
Guide of our way as true as stars above.*

CHORUS

*Tho' some love the blue and gray.
And others the gleam of gold,
The flash of the green or silver sheen,
Displayed when their flag's unfurled.*

*Whatever the shade may be,
That's out to the breezes spread,
Tho' colors are many, you'll not find that any
Compare with the Blue and Red.*

*Hail, Blue and Red, thy sons shall e'er revere thee,
Though from thy halls their paths may lead them far;
Fondly to thee in mem'ry returning,
Loyal and true to thee they ever are.*

—Chorus.

The Class of 1931

This is our Commencement season. The name is fittingly chosen for it marks not so much the end of a period as it does the beginning of another. In many ways life will be different, but its principles will be much the same. In the new life the experiences of the old will be repeated on a larger scale and amidst new surroundings. We shall continue to learn there, as here, from books and instructors, from friends and companions. We shall have decisions to make, principles to abide by or to ignore, the same lessons of obedience, loyalty and co-operation to learn and practice. In the new life we shall succeed or fail as we have here, just to the degree in which we are loyal to truth, industry and honor.

Senior History

IT IS September, 1925. Four young boys are walking through the front gate. They enter the Administration Building. Each one registers and enters into the seventh grade. These four green looking lads are none other than Schneithorst, Costa, Barker and Sosna. The next day we find these youngsters in "E" Company. Costa seems to be the outstanding midget athlete. He is the bantam-weight man on the wrestling team. "Tony" also takes his turn at boxing. Naturally he makes a formidable showing.

Our scene now changes to the fall of 1926. Who is that walking through the gate? He is none other than our friend Leo Frank. Is he to join the ranks of the Class of '31? It seems as though he is. While Leo is a young "plebe," our four seventh graders, now eighth graders, are "old" men and are doing splendid work during their second year at Western.

The next year we find many youths entering the well known gate. Of course, there are boys of many classifications. The ones we are interested in, however, are the Freshmen. We see Martin, Mavrakos, Driemeier, Albrecht and many others. Albrecht immediately distinguishes himself by appearing on the Upper Ten. Mavrakos is on the Second Football Team.

The Class of '31 gains even more members in 1928. We see our good friends Bob Graham, Charlie Winning, Fred Leber, Ralph Nagle and several others entering into the picture. Graham starts right in on the splendid work that is to make him editor in chief of *The Shrapnel* for the two succeeding years. Winning and Leber become prominent in athletics. Leber also gains high academic averages. Nagle begins his efficient military work which is to make him a lieutenant. Albrecht continues to receive a medal every semester for being on the Upper Ten. The school year 1928-29 makes everyone realize that the Class of '31 is going to be one of the most outstanding classes that Western has ever had.

Between the "old" men and the "plebes" it looks as if the Junior Class of 1929-30 is going to be an exception from the standpoint of athletics. Costa is made a member of the All-Star Prep Team. Byram, Bofinger and Lindale also earn their letters in football. Rossborough, a "plebe," is a member of the All-Star "A" Team. Rossborough and Driemeier are outstanding in basketball. Rossborough is elected captain of the next year's basketball team. The Juniors are represented in track by Ashenden, Bofinger and "Rosy" Thompson. Katz, Lindale and Schneithorst are the baseball players.

In the summer of 1930 many men from our ranks attend the R. O. T. C. Camp at Fort Sheridan. It is Schneithorst's second year at the Fort. Sunkel seems to have a great eye for the target. He is one of the outstanding shots in the R. O. T. C. unit at Fort Sheridan. Several others attend R. O. T. C. and C. M. T. C. camps elsewhere in the country.

1930-31! Seniors at last! Senior privileges! The Senior Class has very good officers. They are Schneithorst, president; Costa, vice-president; Bofinger, secretary-treasurer, and Byram, sergeant-at-arms. Costa is again named on the All-Star Prep Team.

There are many Seniors on the various teams. Blake Miller, handicapped last year by a bad knee, shows himself to be an adept end on the football team. Martin proves himself very capable at piloting the "B" Football Team. He is also a member of the "A" Basketball Team. Huxtable is a "dark horse." He turns out to be a great basketball player. Bofinger is captain of the Track Team. There are many entertainments and activities during the spring months. Then, at last, Commencement! The Senior Play and the Commencement Dance are the last social entertainments. About fifty-five Seniors are graduated. The Class of '31 is disbanded.

Spring 1930

RECALL 1931

Government Inspection

MAJ. PEAKE AND MAJ. HOBBS
With Inspection Officers examining Western on April 17th.

Early on the morning of Thursday, April 17, 1930, Western awaited expectantly the arrival of Major L. S. Hobbs and Major A. S. Peake, War Department Inspectors, who would determine whether or not the Academy would retain its position among the Honor Military Schools of the United States—GOVERNMENT INSPECTION.

The quarters were the first division of the program, and after a thorough inspection they were found to be in absolutely perfect condition. The officers were equally well-impressed by the physical drill which followed. The entire corps in white ducks and gym shirts demonstrated the benefit which had been attained from calisthenics. From this attire the soldiers turned to full field equipment. A review and inspection of this equipment ensued. Uncle Sam's rifles were found to be in perfect condition. A demonstration of shelter tent pitching and display of equipment was next executed by Company "A." At the same time, on the lower parade grounds, "A" and "B" Companies, acting as platoons, gave a demonstration of close order drill. "C" Company demonstrated extended order drill. Guard duty was the first demonstration given after noon mess. Practical and theoretical examinations were given in the following subjects: (Optional) Scouting and patrolling, musketry, map sketching, field fortification, rifle marksmanship, 37mm. and 3-inch T. M., machine gun, hygiene and first aid.

Towards the closing hours of the afternoon two field problems were executed only partly, the incompleteness being due to a sudden downpour of rain.

The eventful day closed with a battalion parade followed by the silent manual, an exhibition of which the school is justly proud.

The siege had been long and difficult, but finally on Sunday, May 27, Col. Jackson read the long-awaited decisive telegram placing Western on the honor roll for the fifth consecutive year.

Inter-Company Track

EDWIN ROBERT NIEHAUS

Individual Point Winner 1930

After six weeks of preliminary training Western's annual Inter Company Track Meet was held on April 6th. Fifty-four athletes competed, twenty-four winning medals. "D" Company with sixty three points won the meet. "B" capturing second with thirty seven. "A" and "C" were third and fourth with twelve and ten points, respectively.

Captain Niehaus was the individual star of the meet, scoring two firsts, a third and running on the winning relay team. Opizzi was second, scoring firsts in the 100 and 200-yard dashes.

The meet is used as a basis for the selection of the team for the league and the dual meets. How well it serves its purpose is shown by the fact that of the twenty-four who won medals twenty were awarded their varsity letters at the end of the season.

The Inter-Company Track Meet stimulates interest in track and Western's success on the track the last few years may be traced to the importance given this sport each year by the Inter-Company Track Meet.

The winners of each event and their time are as follows:

High Hurdles: Bofinger, "D"; Sada, "D"; Karracker, "C" 20 seconds. Mile: Elms, "B"; Fernald "C"; Darner "A" 5 minutes, 24.5 seconds.

THE RECALL 1931

Prep League Baseball

Front Row: Tom Johnson, George Johnson, Thompson, T. E., Schmid.
Back Row: Bill DiMartino, Jim Jackson, Smith, Lindale.

WESTERN 2—GRANITE CITY 7

DiMartino started on the mound for the cadets but was handicapped by the poor fielding of his team-mates and six runs were scored by the Granite team in the first inning. Thompson took DiMartino's place after the costly first inning and proceeded well, fanning four men in the next two innings. Smith and Lindale scored for Western on Jackson's long triple to center field. A wave of errors seemed to have swept over the field during the game as the miscues were legion in numbers, causing the contest to be slowed up considerably.

Prep League Baseball

WESTERN 6—COUNTRY DAY 4

The old fighting spirit seemed to have been again instilled in the cadets as they took the Cadasco nine for a nice win. "Cy" Young hit his stride in this game and accounted for five of the six runs. Thompson succeeded Whity Smith on the mound in the fourth inning when Morgan hit into deep center field, rounded the four sacks and counted the third run for the visitors. Two walks, two singles and an error, committed by a Country Day player, allowed Western in their half of the fourth inning to forge ahead, scoring in that inning one half of their total score. The lead was kept and the close of the ninth frame found Western in the lead 6-4.

WESTERN 1—CHRISTIAN BROTHERS COLLEGE 2

This game was probably the most exciting one of the entire season as it lasted thirteen thrilling innings. Throughout the contest it was seen that each pitcher was attempting to turn in his best performance of the year. Consequently the game was a good one, lasting, due to the work of Thompson as long as the cadet team was able to withstand the constant pressure applied by the Brothers' coach in substituting reliable reserves.

Duvic, the C. B. C. hurler, established a new record in the "Prep" League by striking out fourteen Western men. "Cy" Young made the Cadets' lone tally by popping a short single to center field, stealing second base and then crossing the counting station when Thompson's hard-hit grounder was muffed by McHenry, the Brothers' first sacker. Duvic scored the tying and winning runs.

WESTERN 4—MCBRIDE 5

At the outset the game gave indications of being anything but a close and hard-fought affair. The cadets scored two runs in the first inning, but to no avail, as McBride came back in their half of the frame with also two tallies. However, the Western men again forged ahead, scoring two more runs. Due to this, Durbin, the star McBride moundsman, was substituted for Fincher. He abruptly stopped the cadet batting spree and let them down the remaining time with but two hits. In the closing two innings three runs were scored by the Micks, leaving Western on the small end of the score.

WESTERN 8—COUNTRY DAY 1

After losing to McBride, Coach Holmes' squad bolstered up the team's attack and again defeated the boys from Country Day. Thompson hurled excellently. Captain Smith led Western with a triple, home run and a single in four trips to the plate. Jackson and Lindale also hit circuit smashes. Only two hits were allowed by "Skippy" Thompson, who pitched six flawless innings and struck out seven men.

WESTERN 9—ST. LOUIS U. HIGH 1

The baseball season was favorably closed when the junior Billikens easily submitted themselves to defeat before a fast blue and red squad. Thompson held the St. Louisans to seven well scattered hits.

Thompson by stopping a hard-hit liner with which Minette had connected and almost simultaneously firing the ball to DiMartino who caught Schulterich off the middle base added another double play to Western's record.

The fifth was the big inning for the home team (Western), Smith scoring five runs. DiMartino maintaining his fine hitting stride by making two hits out of three attempts, and the whole team co-operating wonderfully well.

The RECALL 1931

"Prep" Track

Front Row: McMillan, Wilson, Uebermeier, Ziegler, Boeniger, Kuhl, Van Eman, Johnson, French, Sulzberg, Johnson, H. Wagner, Miller.
Second Row: Argus, Bruno, Altman, Titus, Hesley, Niehaus, Belmont, Sibley, Opizzi, Frazee, Hesley.
Third Row: Bell, Richards, Rassbrough, Jackson, Heinlein, Smith, Opizzi, Sibley, French.

WESTERN 74—STAUNTON 46

With the help of Hesley, who hurled the discus 116' 5" and set a new school record, the Prep League squad of Captain Droste's succeeded in annexing their first track meet of the season. Western looked fine on the field and had many individual stars of which included Opizzi and Niehaus, the former taking two first places and the latter taking two firsts, a second and a third. Western in all took eight firsts out of a possible twelve. Bruno settled the broad jump situation by easily eliminating all other possible contenders and showing a skill in flying through the air which destined him to set a new school record later on in the season.

A. B. C. LEAGUE MEET

Western lost their first track meet in two years when Country Day with their versatile stars, Dick Bell, Ted Richards and "Strat" Morton, seemed to hit the high spots and did just a little better than the not at all over-confident Cadets. None of the track events were won by Western and only one first place was won by them. However, in the field events Western did considerably better, placing first in four out of five contests. Niehaus was outstanding in his fine work with the javelin, shot-put and high jump. He took first place in the shot-put and high jump and second in the javelin.

WESTERN 89 - ST. LOUIS UNIVERSITY HIGH SCHOOL 30

As a result of hard practice the Prep Track Team improved to such a great extent that it was able to romp over the Junior Billikens quite easily. Niehaus again starred, being a close second with thirteen points to Courtney who was high point man with fifteen points to his credit. All places were taken by Western in the mile run, Fernald, Elms and Bellison placing first, second and third, respectively.

PREPARATORY LEAGUE MEET

Country Day, 57; Western, 31½; St. Louis U. High, 20; McBride, 8½; Christian Brothers College, 5.

By winning only two firsts and a not great enough number of second and third places, Captain Droste's squad of men were forced to surrender their title as champions of the Preparatory League in track to Country Day in the biggest upset of the season. The Cadets were favored to win, not by a large score, but just win. However, the sprinters failed to show up as they were up against a few good men in the three from Codasco who starred in the A. B. C. League meet, namely, Bell, Morton and Richards. Western was, to the distress of many, amazement of others and joy of still more, just plainly outclassed.

Inter-Company Baseball

COMPANY D - CHAMPIONS 1930

Several years ago, when Western had but one baseball diamond, inter-company baseball was unheard of. The spring previous to the building of Eaton Field inter-company baseball was started and organized by Captain DeMint. These games were played when the "Prep" League team was playing on a foreign diamond. At that time Captain DeMint was the coach of the four company teams, umpire for the games, score keeper and general publicity man.

Today inter-company baseball is the highlight of the spring athletic season. Beginning about March 1st, the teams get into plenty of action. There are about one hundred and thirty games played each season, running into June 10th. The league is operated on a split schedule, very much on the order of our minor teams of the country, there being five game series at commencement between the winners of each half.

In addition to having four uniformed teams of twelve men each, there are also score keepers, property men, reporters and publicity men. In all, approximately one hundred men are actively engaged in this activity. Each day the *Alton Evening Telegraph* carries a complete account and box score of the game of that day.

At the close of the season the Academy entertains the league with a "big feed" in the field house. At this time the captain of the winning team is presented with a trophy and members of his team also receive remembrances, in the shape of a medal, worthy of champions. At this last meeting the leading fielders and batters are also announced.

Last year the competition was exceedingly keen, three of the four teams being tied for first place very often during the season. "A" Company, led by Eckhardt, finished on top at the end of the first half, while Morcom and his mates of "D" Company took the second half. Then the five-game series to determine the championship team began. "A" Company won the first game by a very small margin, it being a pitchers' battle. "D" Company took the next with a score of 5-3. The next two games were played as a double-header on commencement afternoon. "D" Company proved the stronger, winning both games, the first 4-3, and the second 2-1. Davis, the "D" Company twirler, seemed to be the season's hero, having pitched and batted his company to three consecutive victories.

The play throughout the entire year showed steady improvement, both from the standpoint of developing better sportsmanship and bettering playing ability. Many friendships were made during the season that had been more or less dormant during the beginning of the year.

1930 Class Play

A modern society play, well coached under the direction of Mrs. F. N. Henderson, and equally performed by a well chosen cast, was the class day presentation given by the Class of 1930. As the result of many hours of hard practice, the cast presented a very clever play.

Recall

Seniors' After four years of high school work we are able to call ourselves Seniors. This was the year that we had been looking forward to, regarding it as the final goal. Yet one task remained before us—the writing the record of our Class. Despite the storm and stress of the economic depression, we were willing to forego some of the expense of some of the publications of previous years in order that we might publish The RECALL of 1931. To the many friends of the Class of 1931 who helped make possible this volume, the Staff extends its deep appreciation.

Stunt Shows--Dramatics

Bigger strides in the realm of amateur dramatics and stunt shows were made during the past year. Early in the fall, the Dramatic Club began its organization. The officers elected were

JACOBBERGER	-	-	-	-	-	President
BARKER	-	-	-	-	-	Vice-President
BARTON	-	-	-	-	-	Secretary
MACKEY	-	-	-	-	-	Treasurer

The first group of plays, given October 28th, included "The Other One" (Jewett, Mackey and Hewitt), "The Little Brown Jug" (Hubbs, Irwin, Pryor and Ratliff); "The Florist's Shop" (Barker, Barton, Loeb, Jacobberger and Cheney). Mrs. Henderson very ably coached the plays.

The November Stunt Show, coached by Mrs. Droste and Capt. Handley, proved very interesting. Nine Big Acts Included Many Famous Headliners! Thus read the reports.

The December Stunt Show proved to be A Night in a Cabaret. The efforts of Mrs. R. L. Jackson Mrs. Garetson, Mrs. Ellison and Mrs. R. S. Eaton, together with Colonel Jackson, were evidenced in the interesting production. The show was good, and the Corps was pleased. Even the representative of Santa Claus, arriving a la Austin, expressed his delight and approval.

The second group of plays was given early in February. Mrs. Rhea MacAdams, guest director from Monticello Seminary, coached the play, "A Night at an Inn". Much credit goes to Mrs. MacAdams and the cast—Hubbs, Cheney, Stephens, Schuedig, Krause and Loeb.

Mrs. Henderson presented the two plays: "The Play Must Go On" (Barton, Barker, Jewett, Spalding, I. Friedman and Dagianio) and "Nerves" (Mackey, Jacobberger, Mavrakos, Schneithorst, Holt, Graham, MacAdams and Schober). In the dramatic contest the former play won the cup. Our congratulations go to the coaches and the members of the cast who did their utmost to provide us with the best.

Under the able direction of Capt. Handley, assisted by Mrs. Porter, the Glee Club has made some decided strides. Early in the fall the club made its first appearance at the first formal dance and gave several selections during the dance intermission. Later in the year, they presented several numbers at the Dramatic Club plays. The able manner in which the Glee Club broadcast over KMOX in St. Louis brought forth many good comments not only from patrons of the school but also from many "listeners in" who urged the boys to repeat the good work very soon. Our congratulations go to the club.

The Senior Dance Committee 1930-31

Front Row: Costa, Barton, Park, Moore, H. Martin
Back Row: Miller, Jones, Moore, Schneithorst, Nagel.

The Senior Dance Committee for the year 1930-31 was chosen early in the fall so that preparations for the first of the dances might be begun early. The success of the dances given throughout the year and at commencement depended upon efforts of the committee and the work of Mrs. Henderson and Mrs. Murphy. To these cadets and the supervisors go the sincere appreciation of the Corps.

The Nine: Grier, Young, Antifield, Astorius, Moore, McLean, Jones, Tye, Rossborough, Tye, Jr., and Mrs. Stevenson, Fisher, Scherzer, Duncan, Young, Spalding, Maxson, Miller, King, Hines, Cornell, Field, Rosborough, House, Miller, Jones, Nigro.

WESTERN 6—ROOSEVELT 33

The first game of the season proved to be far from a helpful one as far as giving the cadets a start in the season, for the much stronger Roosevelt team plowed the Western squad into submission 33-6. This game brought out the many weak points in the cadet attack and defense, most of which were eliminated before the season drew to a close. The Roosevelt line was very heavy in comparison to Western's, the former team depositing most of their strength on their opponents small but fighting guard, Costa, who despite this handicap fought valiantly.

WESTERN 6—COUNTRY DAY 2

After two weeks of hard drill the "Prep" squad, primed to their height, went out on the field to conquer their opponents. Cornell played well, scoring in the third quarter the lone touchdown on a line buck. The contest throughout was, as the score indicates, a hard fought battle, and many times the game could have been practically decided on a toss-up. Spalding and Rossborough played exceedingly well for the beginning of the season. Spalding ran back a few punts for good gains.

"Prep" Football

WESTERN 7—C. B. C. 18

Dame luck didn't seem to hover around Western when the Christian Brothers College team engaged the cadets, for the score of the contest was the opposite of what it should have been. Western played good stiff football and, numerous times, threatened the Brothers' goal, but to no avail, as a tightened C. B. C. line held the cadets on downs. No scoring was done in the first period, but in the second, Western took an early lead. Rossborough piloted the team well. Corneli and Costa starred.

WESTERN 0—CLEVELAND 19

Western was again forced to taste defeat as they were outclassed by Cleveland High of St. Louis. Good interference, a strong line, and a powerful fast backfield were the main reasons for victory working itself out for Cleveland. White and Rossborough were outstanding for Western. In the third quarter Spalding made a remarkable 55 yard run on a kick-off through a broken field, from his own 20-yard line to the enemy's 25-yard marker, to give Western a chance to score.

WESTERN 0—PRINCIPIA JUNIOR COLLEGE 19

As a climax for the annual Principia day, the Western varsity eleven was conquered by the Junior College team of Principia Academy 19-0. Tony Costa stood in the limelight for his breaking up of enemy passes and fine blocking was spectacular. Schmidt went the whole route (as did many others) and played an extraordinary, splendid game.

WESTERN 6—ST LOUIS U. HIGH 6

Trying to repeat last year's victory over St Louis U. High, the cadet varsity team was set to give them a good defeat. However, the powerful line of the Billikens checked many a soldier attempt, and three times stopped Western within five yards of their goal. Barry, Mavrakos, Costa and Spalding were outstanding.

WESTERN 13—MCBRIDE 8

As a climax to the 1930 football season, the cadet eleven, functioning as one man, with every player outstanding, gave the McBride team an unforeseen, hard beating 13-8. Costa, Byram, Driemeier, Lindale and Mavrakos broke through the strong McBride line to nail runners for goodly losses, while Miller and Sullivan pulled passes out of the air and guarded their ends in an entirely satisfactory manner.

WESTERN 12—ALTON 6—THE THANKSGIVING CLASSIC

On a snow covered gridiron, with a cold biting wind sweeping over the field from the northwest, the Western varsity squad, before a large crowd, downed the Alton Hi 12-6 in the annual Thanksgiving Day classic on the Red and Grey field.

Rossborough used the team's fine aerial attack to a great advantage in taking an early lead. The cadets secured possession of the ball on Alton's 41-yard line. White passed to Miller, who carried the ball 35 yards down the field. On the next play Schmidt virtually walked over the goal line through an enormous hole made by Costa and Byram.

The other cadet score came in the third period. White's pass to Schmidt placed the ball on Alton's 27-yard line. Spalding and White formed the attack at this juncture. Spalding drove through the line to score the cadets second touchdown.

In this last game of the season one fact predominated, the co-ordinate functioning of each man. The execution of plays, mainly the overhead attack, was superb. Captain Droste, lastly, was, without a doubt, the main cog in the wheel of the cadet team. To him the team of 1930 extends its best wishes for his good coaching.

"Prep" Basketball

Top Row: Chas. Holmes, Captain, Tom. McElroy, Tom. Holmes,
John. Cawley, Manager, Rossborough, School, Allentown, Pa.

The 1931 season in Basketball began better than it ended. A green team may have been the cause of the few victories. Yet one must consider the strength of the opponents as well as the close scores by which we were defeated many times. Capt. Holmes and his team presented a good fight many times.

WESTERN. 15. McBRIDE. 30

The Cadets opened the basketball season by taking a defeat at the hands of McBride. Rossborough lead the team in what scoring was done. The fast McBride quintette did not give Western much chance to really get going.

WESTERN. 21. COUNTRY DAY. 22

The two teams, both being enemies, fought to the utmost extent of their doing so, each determined to win. However, it seemed that Codasco was destined to win as Western could not boost their score any higher than 21 points.

The REGALL 1931

"Prep" Basketball

WESTERN, 20. PRINCIPIA JUNIOR COLLEGE 19

A fast start which created a big lead and nearly took "Prin" off her feet did a great deal to help Western win. Schmidt and Sullivan played well and divided most of the scoring. Principia made a last but futile attempt to break down a possible Cadet victory.

WESTERN, 10. ST LOUIS U HIGH, 23

In their second league encounter, Western was again forced into submission by an apparently much better team. The Cadet defense was weakened considerably by the fast breaking plays which the victors showed. Huxtable and Rossborough strove valiantly to shake off a defeat but, as the score indicates, did not succeed.

WESTERN, 19. PRINCIPIA JUNIOR COLLEGE 21

Turning the tables on the Cadets, Principia seemed to have the edge in the return game and evened the series. Western, after getting a fairly good lead in the first period, lost it in the next and could not recover it. "Prin" plugged steadily along and gradually wore the Cadets into accepting a defeat.

WESTERN, 24! ALTON 26

The shooting of the gun to end the Alton game prevented a tie and possible victory for Western, for soon after the fatal shot rang out Schmidt made a basket. Every man on the team played exceptionally well. Perhaps the score would have been a trifle different had White and Rossborough not been so free with their hands and as a result been put out of the game. Who knows?

WESTERN, 16 CHRISTIAN BROTHERS COLLEGE HIGH, 25

Inasmuch as Schmidt and Sullivan were taken out of the game in the last three minutes of play, Western, after leading C. B. C. H. S. nearly the entire game, was forced to succumb to the squad of Coach Reilly's. 25 to 16.

This year's "A" team was composed of a fighting group and in the two games which they lost the enemy was never sure of his victory till the last whistle. Loyal to their coach, Captain Holmes, and always full of "pep" they showed the true Western spirit. The members of the team to be cited are: Szecklucky, for his wonderful offensive and defensive work in the back field; O'Connell, Hampton, Glabman and Fay for their team-work and good play in the line.

Capt. Drost, Baer, Wilson, Burroughs,

The "A" Team was very fortunate that it had the same coach, Captain Drost, and the same team that went, undefeated, through the entire preceding season. It was composed of "Red" Martin, who captained the team, Wilson, high point man with 105 points to his credit for the season, "Diz" Dugon, fighting center, and Leber and Baer at the guard positions.

 Third Row: Matt, Carlson, Bert, Coghill, Principia, MacAdams, Singer, Jim
 Second Row: Burroughs, Frank, Vining, Dickson, Wilson, Wilson
 First Row: Schenberg, Richardson, Martin, Singe

This year's "B" Football team will long be remembered as the best in 'B' history. Coached by Major Garetson and captained by Charlie "Red" Martin, it fought its way to the top of the class, finally going down to its only defeat when playing for the championship of St. Louis. It wouldn't be proper to cite just one or two of its men, for they were all exceptionally good. The backfield was made up of Martin, Varney, Wilson and J. Coghill. The line was composed of Heinlein, K. Richardson, MacAdams, S. Schenberg, Frank, Biedenstein, Singer and Steinmetz. It might also be interesting to note that practically the entire "B" team was composed of the championship "C" team of the year before.

Seated: Marguerite, Yvonne, Frank, Tommie.

Again Captain Droste produced a championship "B" Team. It went through the entire season with only a single defeat and that in an overtime period to a strong St. Louis U. High team. Hampton was both an able leader and a star player. Other outstanding players were Bunje at forward, and Schenberg, S., at guard.

Third Row: Kader, Burks, Knapp, Caldwell, Stee.
Second Row: Abrams, Milner, Henderson, Feutz, Kiddoo, Schwab, Marlowe.
Front Row: Graeagle, Thogerson, Jonathan, Morris, Tomlin, Barrett.

The Western "C" Football team did not have a very successful season due to the fact that there were no old men back to form a nucleus. This team, composed of the smaller men, and coached by Captain DeMint, will be the backbone of the other larger teams in the years to come. The outstanding players of the season were Henderson, Feutz and Kiddoo; the first two by their remarkable performance in the backfield and Kiddoo in his excellent work of the end zone. No doubt, we will have a championship team of "Rinkeydinks" next year, as most of the players will be back.

This year's "C" Team had a fairly successful season, winning on a tough schedule, one-half of their games. The outstanding players were Feutz, Touche and F Milnor. Coached by Captain DeMint and captained by Feutz, the team was composed of much new material and was handicapped on account of this. Most of the last year's "C" Team played "B" this year, consequently the DeMintmen were new at basketball.

Swimming

Capt. N. Williams, Captain, Willie Knott, Vice Captain, Alberto Foss,
Ruth Johnson, School Team Swimmer, Coach.

The aquatic sport has proved more than interesting this year. At present under the direction of Capt. N. Williams a junior and senior swimming team have been organized. In addition to this inter-company teams have been busily engaged in keeping the waters moving. The junior squad met and defeated the Alton "Y" (39-11). The second meet with the North Side "Y" was a defeat. The senior team lost its first match to Principia (52-23). In the second meet with St. Louis Y. M. C. A. the Red Fish again met defeat. The closeness of the score (42-38) indicates that the Western men, though competing with an older and more experienced team, gave a good fight. In a second meet with Principia, the Cadets lost again. In the junior contest with Principia, the Cadets won (40-17).

The Fencing Team

Lins, Mackey, Barker, Capt. Moore, Almavas, Nage, Burtt

Capt. Moore and his swordsmen have been active in showing the school as well as their opponents that there is an art in handling a fencing foil. Their first victory over Cleveland High School, St. Louis (6-3). After having suffered defeat early in the season at the hands of Country Day School, the Cadets regained their stride and defeated Codasco. Though fencing is one of the youngest sports added to Western's list, it promises to become one of the most outstanding.

On the 14th of March, the fencing team entered the Washington University tournament, St. Louis, and won the distinction of having the highest percentage of bouts won. In the individual markings Mooney received second (silver medal) and Barker third (bronze medal).

The Band

*First Row: George MacAdams, William Adams,
George Blue, Harry Andrew, Louis Allard, John
George Ross, Arthur Clark, George Morrison, George
Farr, Billie Stevenson, Lawrence, John Lasky, Charles
Hartman.*

This year, the band, under the direction of Capt. C. A. Handley, and in charge of Cadet Sergeant MacAdams, has made a remarkable showing. Beginning the year with many new men, some of whom had never before displayed their musical ingenuity, Capt. Handley formed and trained the group. The result of months of hard work on the part of the instructor and the members themselves is the excellent musical organization which the school now possesses.

The band played throughout the football and basketball seasons, furnishing the stirring marches and the patriotic school songs, which played an important role in aiding in victory for the old school.

Next year, with many of this year's band back, it is only logical to suppose that, under the guidance of Capt. Handley and with the co-operation of every member of the band itself, the organization will achieve and attain even greater heights in the field of music.

The Rifle Team

The Rifle Team
Front Row: Jim Dunster, Sergeant; Billie L. Johnson,
Billie L. Johnson, Jimmie A. Foster, Billie Wilson, Adams, John.

Each year Sergeant Dunster has been very active in producing a rifle team that brings laurels to Western. The first match of the season with Cleveland High School resulted in a defeat for the Cadets. Later the boys staged a come-back and in a telegraphic match with Morgan Park Military Academy won by a 1673 | 616 score. The third match with Waukegan High School resulted in another victory for Western. More victories were added when we won (3220 3127) over the Louisville Ky. Male High School and (449-429) over the St. Louis Country Day School. The good work of the sergeant and his riflemen is very commendable.

THE PAST YEAR

ACADEMIC

This past year has been a very good one from an academic standpoint for Delta Sigma. When the new school year started it brought with it two scholars for Arkansas, namely Edwin Hampton and Charles Nancarrow, and it also brought out the ability of Bob Rulkötter and Nat Ewing, as students of a large calibre. It might be well to say that to Hampton has fallen one of the uppermost, if not the highest, position of the Upper Ten. Rulkötter, who is a Freshman, has also held a place on the Upper Ten throughout the year; a place that is also well above the mid point.

Then, from a viewpoint that is also considered as academic we find the name of Barton appearing on the Dance Committee and Residential Staff, whereas Morris and Rulkötter has positions on the *Student* Staff.

MILITARY

From a military standpoint, Delta Sigma has likewise attained some standing. To be found in the brothers of her midst, are a lieutenant, a sergeant, two corporals and two first-class cadets. The officers, in order named, are Barton, Byram, King and Ewing, and Morris and Griffin. Although this year's group has not reached the standard set by the group of 1929-1930, it has, nevertheless, placed Byram among the officers of the Senior Class, an honor that is desired by every member of the graduating class.

ATHLETICS

It seems that all through the history of Delta Sigma, there has been an unwritten tradition that the members were to excell in athletics more than in anything else, and this past year has been no exception to the rule. In making a brief summary of what has been done, we find that Byram, Hampton, Morris, Nancarrow and Griffin played Prep., A¹ and C¹ class football. Then during the basketball season, King, Hampton and Morris played A, B¹ and C¹ class, respectively. So far as track has progressed, the only known candidate for the team is Barton, and to him is also credited positions on the fencing and rifle teams.

Thus closing the school year 1930-1931 in which R K Barton, Ross England, Main Byram and John Pinnell pass from our midst.

ACTIVITIES

This year has been a very successful one for the Gamma Alpha chapter of Delta Phi Omega. To begin with, we placed Brothers Haynie and Ashenden on the Prep football squad. Brother Bellison played with "A" football team. Singer played with "B" team, and Luly with "C." In basketball Ashenden starred with Prep, as did Marlowe with "C." D. P. O. is represented on track this season by Ashenden, Bellison, and Wear.

In military work Haynie and Singer held the rank of 1st sergeants; Collin was also a sergeant. Corporals are Bellison, Luly, Ashenden, Wear, Bilgere, and Marlowe. Mahan is a first-class private. We are represented on the Glee Club by Bellison, Collin, and Bilgere. Collin is also head cheer leader. Bilgere is representing us on the Upper Ten.

In conclusion, we, the brothers in Gamma Alpha of 1931, wish next year's members all the success worthy to Delta Phi Omega.

Good appearance means attention to details. Being correct in dress requires forethought in the selection and care of clothing. Unpack vacation baggage immediately and send dresses and suits for refreshment. It is harmful to clothes if you put them away soiled. Dry Cleansing will return the "bloom" to your favorite garments.
